

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

he affirms to be an *Excrementitious Succus*, by Nature secreted in its proper *Follicule* near the *Anus* of an *Animal* of the *Dog-kind*, and not the *Sperm*, as some have asserted. *Castor* he proves to be the *Scent-bags* adjoining to the *Intestinum Rectum*, and not the *Testicles* of the *Beaver*, as some assert.

In the Fourth and last Book our Author takes notice, that the *Sal Armoniac* of the Shops is a factious *Salt* made of *Human Urine*, *Soot*, and *common Salt*, and is not that of the *Ancients*, which *Pliny* and others affirm to be found among the Sands of *Lybia*. And lastly, Observes that *Mumia* is of four sorts; all which he doth demonstrate. And here I shall finish my Account, recommending to those which desire further Satisfaction in the *Materia Medica* the Book it self, which is of excellent Use to all *Physicians*, *Philosophers*, *Apothecaries*, *Chirurgions*, and *Drugsters*.

Advertisements.

TH E Reader is desired to Correct a Mistake in *Philosophical Transactions*, Numb. 202. p. 824. The *Truffles* there mentioned being discovered at *Rushton* in *Northampton-shire*, by the Learned Physician Dr. *Henton* of *Harborough* in *Leicester-shire*.
